74 Covehaven View NE

Welcome to a great home on a quiet street. This is a 4 level split with 1,449 sq ft boasting the third level walkout. A bright open concept that you are sure to love with vaulted ceilings on the main floor, large windows and a very spacious kitchen with a pantry. Upstairs you have 3 bedrooms and a 4 piece bathroom. The 3rd level makes a great rec room as there is a 6 speaker built in system that goes with the home which is perfect for entertaining. The 4th level is undeveloped, however it has good sized windows for an abundance of natural light. This is a great location within walking distance to shopping and all amenities including Cardel Place, Superstore and schools.
